Many alumni have connections to houses in the local area. This is a great option if you want to have your own space, come and go as you please, and don't mind a bit of travel. If you decide to reside off-property, yet still join us for all the fun, the following commuter options are available...

The Green Feather of Weekend Warrior:

This is the all inclusive package. If you choose not to show up for certain meals or events, there will be no reduction in the fee. Any extra money will be added to the Scholarship Fund (which, incidentally, helps many kids), and we thank you in advance for your generosity.

*Call Steve Harding @ 603-367-4010 to reserve

Adult: \$55.00 Junior: \$35.00

Saturday Social Commuter: Sat Night Only...

Are you unable to be with us for the weekend, but want to make an appearance? Please join us for the social event on Saturday night to enjoy food, music, and of course... our company. You can purchase a ticket for just this event.

*Call Steve Harding @ 603-367-4010 to reserve

Adult: \$20.00 Junior: \$12.00

Purity Spring Resort

Other guest rooms around the resort may be available. Regular room-only rates will apply, plus the appropriate commuter fee for meals and program. Please contact the main reservation desk at 800-373-3754 for exact prices.

If the resort fills to capacity, we will be happy to suggest other nearby places for you to get rooms for the weekend... if this occurs, commuter rates will apply.

Remember The Times

*Remember the times you've had here
Remember when you're away
Remember the friends you've made here
And don't forget to come back some day

ALUMNI Reunion Weekend 2011

*Celebrating 80 years of Camp
August 26th ~ 28th, 2011*

*You are being invited to a traditional gathering by
family & friends of*

Tohkomeupog

Kin-kee-guan Friends...

It has often been suggested that the waterfront is the most popular place in camp. Well... this proved true over Reunion Weekend as alumni enjoyed unparalleled good weather and made many ripples in Purity Lake.

About 120 alumni and guests gathered at our 2010 Reunion Weekend, armed with sunscreen, coolers full of ice, the traditional gusto... and, somewhat amusingly, a growing stack of diapers.

20 golfers took to the green on Friday. Non-golfers enjoyed some time at Sunset Beach until the two groups converged at Wolf Hill for a night of revelry and reminiscence around the campfire.

Alumni Field was inaugurated on Saturday afternoon. Our sincerest thanks go to all alumni who contributed towards that project, as well as to the resort for making such a substantial investment on behalf of camp.

At the annual Alumni Meeting on Sunday morning, potential work projects were discussed, including a much needed rejuvenation of the cabin and campsite at Spruce Point. More information on this will follow.

Looking to keep in better touch with members of the tribe? Check out 'Friends and Alumni of Camp Tobkomeupog' on Facebook, a site administered by Mike Mauro, Johnny Mac, and Paul Stafford.

If you were not able to join us this year, we hope you will consider us in your plans for 2011. The dates are set and the invitation is yours. In the meantime, as we say in council, "May your fires burn bright." Keste'
