

TOHKOMEUPOG

SUMMER CAMP FOR BOYS

.....2024 Camp Tohkomeupog Preview.....

Camp is once again getting ready for action! In preparation for this summer, we have a couple projects now being focused on. We are working to revitalize the soccer field, which was relocated a few years ago to the closer side of the brook at the bottom of Wolf Hill. Cabin Kearsarge has gotten some attention, featuring a new mudroom, new flooring, and a much larger bathroom. Cabin Adams is being rebuilt into a new shower/mess kit washing facility. The reasoning for this is so that the Deer and Panther Clans no longer need to cross the road to wash up after trip.

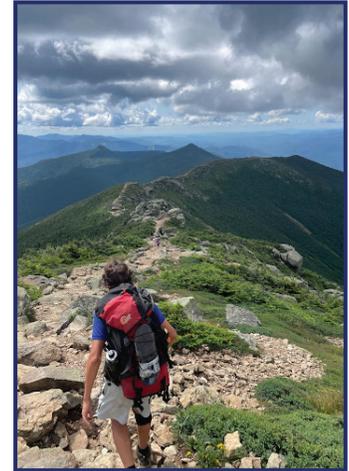

What I am most excited about is the roster of staff. We have gathered an incredible group. I always think this, of course. This summer, however, the staff will be comprised of individuals representing the legacy of Tohkomeupog in its broadest scope. While all of our returning faces already span generations, new additions to our staff actually strengthen our connection to the earliest years of camp.

This, of course, starts at the very top with Andrew Mahoney as Co- Director and Don Barton as the Assistant Camp Director. Dawn Petersen is returning as Office Manager and Photographer Extraordinaire. John Sexton will be returning to the waterfront, John Petersen to Riflery, Sean Petersen to Archery, and Jason Cicero to Tennis. We are fortunate to have both Helen Crowell and Bob Burton returning to the Camp Infirmary.

Mark Conklin will be returning for his 4th summer as Bear Clan Director. Mark and his wife Allison (Croft) Conklin are helping keep the Croft family tradition strong, with two very enthusiastic Bear Clan campers at their side. Making his debut as Director of the Deer Clan will be Ryan Johnson. Ryan enjoyed his own camper days at Tohko... and in the bigger sense, represents one of our oldest camp legacies, which began with his great grandfather Francis 'Fran' Whittle. This makes Ryan a fourth generation member of the tribe. I am excited to welcome Andrew Krugman (CIT '84) back as Director of the Panther Clan. Andrew was recruited last summer for his prowess working with middle school aged kids. Both of Andrew's sons also went to camp; his oldest Jack became one of our more exceptional counselors. Rounding out the Director ranks and making his debut in the Wolf Clan will be Tom Romary (CIT '81). Tom also represents one of our oldest camp legacies, which began with his father Jules... continued with Tom and his brother Bill... and extends through two of his sons, Shep and Blake. Fun Fact: Jules Romary was active at camp during the same years as Fran Whittle (1945 – 1950). In fact, when Fran was supervising the CIT group of the time (called the Rangers), Jules was one of the boys in that group. How cool is that?!

We are also looking forward to working with a very capable group of counselors this summer. At this point, we can honestly say that 100% of them have come up through the camper ranks and are now providing the positive leadership that our current campers look up to. Cheers to 2024!

Kestay,
Stevo Harding

Journey of Many Moons: A Celebration of Andrew Mahoney!

"This past May, almost 400 people came back to the valley to help celebrate Andrew Mahoney and his 'Journey of Many Moons' through camp. I thought it was a wonderful tribute for Andrew, an appropriate way to recognize 50 years of steadfast presence and dedication to this place we all feel strongly connected to. For many people in attendance, it also served as a powerful rekindling of personal camp spirit. It is my hope that this renewed spirit will help build positive momentum for years to come. There are many more summers, and many more celebrations to be had, not the least of which will occur in 2031 when we will ALL gather together to celebrate 100 years of Tohkomeupog!" - Stevo Harding

A MESSAGE FROM THE BOARD

The Alumni Board would like to thank all the alumni and their families that returned to the valley in May to celebrate Andrew Mahoney, and gather with old friends in the valley! It was great seeing some faces that we usually don't get to see up in the valley, and we hope to see you again in the future very soon! Also, we would like to extend a massive "Thank You" to Stevo Harding for organizing the whole event! Once again, thank you to the wonderful group of people who returned to East Madison and made for such an unforgettable weekend. We hope to see more familiar faces at camp for **Alumni Weekend 2024, occurring Friday, August 23rd to Sunday, August 25th!**

WE WANT TO HEAR FROM YOU!
